Dear Mr. Mackie:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- The Commission notes the redesignation or reattribution of all contributions on this report to the 2004 election cycle. Please amend your report to disclose the proper format for redesignations or reattributions. The first entry must disclose, as a memo entry, the information for the contribution as it was originally reported; the second entry must disclose, as a memo entry, the information as it has been redesignated or reattributed, including the date the redesignation or reattribution documentation was received by the committee (11 CFR §104.8(d)(2), (3), and (4)). The Committee should also provide the Commission with a copy of the signed documentation. See the Campaign Guide for Congressional Candidates and Committees for the correct manner in which to report redesignations and reattributions.

If your Committee did not intend to redesignate these contributions, please file an amended report that shows the proper election designation.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in
